Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Andrew J. Anderson on December 21, 2004.

The following changes have been made to the subject application:

In claim 1, line 7, after "contacts", added --located on the display substrate--.

In claim 1, line 9, after "display", added --substrate--, and changed "the touch screen" to -the electrical contacts of the touch screen substrate--.

In claim 1, line 12, changed "conductors and electrical contacts located on" to --the electrical contacts of--.

The Examiner's amendment has been made in order to place the application in a condition for allowance.

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:

The cited art of record fails to teach a touch screen having a touch screen substrate with electrical contacts, and conductive vias through the substrate and electrically connected to the electrical contacts, and an OLED flat-panel display having a display cover and a display substrate wherein the touch screen substrate forms the cover or substrate of the OLED flat-panel display, the conductive vias are electrically connected to electrical contacts located on the display substrate, and the substrate of the OLED flat-panel display protrudes beyond the display
